

LONGDOM
CONFERENCES

WORLD CONGRESS ON ARTIFICIAL INTELLIGENCE AND ROBOTS

MARCH 23-24, 2020 | TOKYO, JAPAN

AI EXPO 2020

About Conference

Longdom Conferences provide the platform to speakers and offer delegates the opportunity to share their ideas and network. We are pleased to welcome you to attend and associate with us at **World Congress on Artificial Intelligence and Robots on Mar 23-24, 2020 in Tokyo, Japan** The **AI Expo 2020** will mainly focus on the theme “**AI-The Actual Race of Emerging Trends in the Field of Robotics**” to develop and explore knowledge among Artificial Intelligence community to present thought-provoking Keynote talks, plenary sessions, Discussion Panels, B2B Meetings, Poster symposia, Video Presentations, and Workshops.

AI Expo 2020 foresees over 200 participants from 7 continents with revolutionary subjects, discussions, and expositions. This will be marvellous viability for the researchers, students and the delegates from Universities and Institutes to intermingle with the world-class Scientists, speakers, technicians, technical Practitioners and Industry Professionals working in the field of Artificial intelligence and robotics.

Important Dates

Abstract Submission Opens: 01/06/2019

Registration Opens: 01/06/2019

Early Bird: 30/06/2019

Registration Closes: 23/03/2020

Tracks:

- Artificial Intelligence
- Ethics of Artificial Intelligence
- Role of AI in Industry
- Artificial Intelligence and Robotics
- Types of Robots and its applications
- Human-Robot Interaction
- Industrial Robot Automation
- Medical Robotics
- Robotics and Mechatronics
- Aerial Robotics and UAV
- Role of robotics in Prosthetics and orthotics
- Computer Vision, Machine Vision and Analytics
- Machine Learning, Deep learnig and Blockchain
- Autonomous Vehicles
- Intelligent Agents and Multi-agent Systems
- Intelligent Transportation Systems
- IoT- Simplifying our Life
- Cloud Computing and Internet of Things
- Cyber Security: Threat & Road Ahead
- Big Data analysis and Data mining

Targeted Audience:

- IT Experts
- Researchers
- Scientists
- Electrical Engineers
- Computer Science Engineers
- Robotic Technologist
- City planners
- Future Policy Makers
- Smart Innovators
- Space Science Engineers
- Automation Industry Leaders
- Health Care Service Providers
- Defence Research Professionals
- Automation Industry Leaders
- Mechanical Engineers
- Design Engineers
- Law Professionals
- Gaming professionals
- Managers & Business Intelligence Experts
- Advertising and Promotion Agency Executives
- Professionals in media sector
- Professors
- Students, etc.

Why To Attend?

- Meet the Artificial Intelligence, Internet of Things & Robotics experts & Technocrats from 25+ countries around the globe
- World-class platform to Exhibit your products, services, innovations & Ideas
- More than 30 presentations from both Industry and Academic
- Evaluate your current research and share your ideas with technical experts on AI, Robotics & IoT.
- Special Workshop/ Symposium, B2B and interactive sessions, CME Meetings, with industry Sponsors and Exhibitors
- One to one interaction with eminent scientists, Industry Leaders, Researchers
- Well organizing program with 5+ hours of networking sessions
- Interactive panel discussions and Q&A sessions

Registration Price:

Speaker Registration: \$599

Delegate Registration: \$349

Deal A (Registration + 2 Nights' Accommodation): \$999

Deal B (Registration + 3 Nights' Accommodation): \$1199
